

LCS Spanish conversation class.

To close the year 2021 with a little **happiness**, the Spanish in Action program presents its Spanish conversation sessions for its members.

The objective of this class is to put Spanish into **practice** with common topics according to the level of the students. The topics proposed for each session are designed to **motivate** the participants' interest and introduce them to Mexican culture, using the vocabulary and expressions of the Jalisco region. The students are also offered **linguistic skills** to carry out their **day-to-day activities** in the language they wish to learn, with the simulation of real situations, guided conversations, questions, description of images and interactive activities.
